

Kiwanis
International Foundation

IMPACT
Today. Tomorrow. Forever.

At the Kiwanis International Foundation, our mission is to support the Kiwanis family's service to the children of the world. We fulfill that mission only because of the generosity of clubs like yours. In fact, your club's gifts reach children around the world.

Your gifts to our foundation in 2013–14 and 2014–15 have qualified your club for membership in the [Kiwaniis Loyalty Society](#), which honors your dedication through consecutive years of giving. Thank you for your support.

Loyalty Society benefits begin when you have made a gift for five consecutive years (beginning October 1, 2013), so we encourage you to continue your committed support of the Kiwanis International Foundation with gifts in the future.

As club president, if you have any questions or comments, please contact the Kiwanis International Foundation at 1-800-KIWANIS, ext. 157 (U.S. and Canada) or +1-317-217-6157 (worldwide).

Thank you for your commitment to the Kiwanis International Foundation.
